It is important that you read and understand the following.

Claims made notice

Section B – loss to others of this policy is issued on a 'claims made and notified' basis. This means that Section B – loss to others responds to:

- a. claims first made against you during the policy period and notified to us during the policy period, provided that you were not aware at any time prior to the commencement of the policy of circumstances which would have put a reasonable person in your position on notice that a claim may be made against him/her; and;
- b. written notification of facts pursuant to Section 40(3) of the *Insurance Contracts Act 1984 (Cth)*. Effectively, the facts

that you may decide to notify are those which might give rise to a claim against you even if a claim has not yet been made against you. Such notification must be given as soon as reasonably practicable after you become aware of the facts and prior to the expiry of the policy period. If you give written notification of facts the policy will respond even though a claim arising from those facts is not made against you until after the policy has expired. When the policy period expires, no new notification of facts can be made to us on the expired policy for a cyber event first discovered or identified by you during the policy period.

Your Duty of Disclosure

Before you enter into an insurance contract, you have a duty to tell us anything that you know, or could reasonably be expected to know, may affect our decision to insure you and on what terms. You have this duty until we agree to insure you.

You have the same duty before you renew, extend, vary, continue under similar insurance or reinstate an insurance policy.

You do not need to tell us anything that:

- reduces the risk we insure you for; or

- is common knowledge; or
- we know or should know as an insurer; or
- we waive your duty to tell us about.

If you do not tell us anything you are required to, we may cancel your policy or reduce the amount we will pay you if you make a claim, or both

If your failure to tell us is fraudulent, we may refuse to pay a claim and treat the policy as if it never existed.
